PTO-90C (Rev. 07-01)

Please find below and/or attached an Office communication concerning this application or proceeding.

Commissioner of Patents and Trademarks

The amendment filed on 02/04/02 proposes amendments to the title, specification, amended claims and entry of new claims do not comply with 37 CFR 1.173(b), which sets forth the manner of making amendments in reissue applications. A supplemental paper correctly amending the reissue application is required, See MPEP 1453. Additionally, a list of all the references to be printed in the reissue patent should include all the references cited during the original prosecution. Applicant is requested to submit a PTO-1449 which lists all of the references which were cited during the original procesution.

A shortened statutory period for reply to this letter is set to expire ONE (1) MONTH or THIRTY (30) DAYS, whichever is longer, from the mailing date of this letter.
